This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

FROM THE GIFT OF

WILLIAM PHILLIPS

(Class of 1900)

OF BOSTON

FOR BOOKS ON LONDON

GOD
GRANT
GRACE

List of the Wardens of the Grocers' Company from 1345 to 1907

Taken from

The Ordinances, Remembrances and Wardens' Accounts, 1345-1463 . . . . . .

(Described as "the Black Book with the Lock.")

The Quires of Wardens' Accounts, 1454-1750

The Register of Freemen and Apprentices, 1447-1504.

The Minute Books of the Company, . . 1556-1907.

London.
MDCCCCVII.

HARVARD COLLEGE
JUN 4 1915
LIBRARY
Gift of
William Phillips

To the Court of Assistants of

The Worshipful Company of Grocers.

Gentlemen,

Our late respected member, MR. JOHN ABERNETHY KINGDON, *who, following with greater industry and wider knowledge in the footsteps of* BARON HEATH, *brought to light matter of exceeding interest from the records of this Company, in his latter days began the compilation of a list of the Wardens from their first appointment in 1345.*

His lamented death having prevented the completion of his task, it occurred to me that any spare time which I could find during my year of office as Master of the Company could not be better employed than by carrying through the work then begun.

It has been a labour of love, and the interest in the history of our ancient Guild has been enhanced for me by the occurrence in the earliest records of the Fraternity of my family name.

I have to acknowledge the assistance rendered by the Staff of the Company, by which my labour has been greatly lightened.

Your obedient Servant,

W. W. GRANTHAM.

October, 1907.

Fraternity of St. Anthony.

Date of Election		Wardens
1345	(9th May)	Laurence de Haliwell Roger Osekyn
1346	(21st May)	Johan Stanop Robert Hatfeld
1347	(3rd June)	Johan Gonewardby Nicholas Corp
1348	(6th July)	Roger Carpenter William de Hanampstede
1349	(4th July)	William de Grantham Nicolas Chaucer
1350	(14th June)	Johan de Stannop Robert de Hatfelde
1351	(2nd July)	Johan Flauon William de Caustone Johan Langeton
